

Year 9 GCSE Options

Wednesday 11th March – Year 9 initial options assembly for students

Wednesday 25th March – Year 9 Options evening – 17:00-18:30

Wednesday 25th March – 2025-2026 Options booklet uploaded to the school website and GCSE options open. You will receive the first form to complete on this day.

Wednesday 27th March - Year 9 options assembly led by an external careers advisor (CXK)

Wednesday 13th May – Year 9 Parents Evening (Virtual) to speak about your child's current progress and next steps with individual teachers. Booking information will follow before the Easter holiday.

Thursday 14th May 8am – Final date for submission of GCSE options form

- There is an expectation students will study a **breadth** of subjects which include English, Maths and science.

Assessment

The majority of subjects are assessed with examinations in May and June of Year 11.

Some subjects will have coursework elements that students will need to work on over an extended period of time with earlier deadlines such as Art, Music, Hospitality and Catering, Sports Science and Drama.

Look in the options booklet and speak to teachers this evening about this.

Subject	Lessons per fortnight
Maths	8
English	10
Science	10
Option subjects	6 (x 3) = 18
Core PE	2
PSHE	2

Where to start?

Important elements to consider:

- Career aspirations
- Post-16 study aspirations
- Current attainment
- **Breadth** of subjects

- What subjects provide **transferable** skills?

Where can I find answers?

- Year 9 Options booklet (*on school website*)
- Parents evening
- CXK website (careers)
 - GCSE options 2026
- Form tutors and Head of Year
- Teachers (in class, on Options evening and Parents Evening)
- Heads of Department
- Parents

Do choose a course because:

- It fits your interests
- It links to future career ideas
- You think you are good at it
- You might want to continue it after year 11.
- It helps you meet the entry requirements for Post-16 Options which interest you
- It gives you plenty of choice Post-16

Don't choose a course because:

- Your friends have chosen it
- You think it will be easy
- You like the teacher that you have now.
- You didn't research future careers or get any careers advice and didn't know what else to take.

Subject	To continue at 6 th Form (at a School or College)	To continue at College (vocational or studied as a single subject)	For starting a related Level 2 or 3 Apprenticeship
MFL	MUST take for entry	N/A as an option	N/A as an option
History, Geography	STRONGLY preferred for entry	N/A as an option	N/A as an option
Computing	PREFERRED by many for entry (otherwise strong Maths and/or Physics needed at GCSE)	USEFUL but not essential for entry, as can start at a lower level if needed	USEFUL but not essential for entry
RS	USEFUL (but not essential) for related subjects such as Philosophy & Ethics or Sociology at A-Level or IB	N/A as an option	N/A as an option
Art, Drama, Music	STRONGLY preferred for entry but can be studied at a lower level first at college, if not taken. Some will accept portfolio/audition of external work from home instead.	STRONGLY preferred for entry but can be studied at a lower level first, if not taken. Some will accept portfolio/audition of external work from home instead.	USEFUL but not essential for entry
All other subjects (E.g., PE, Business, Hospitality...)	USEFUL (but not essential) for entry	USEFUL (but not essential) for entry	USEFUL but not essential for entry

Use your report from your mid-year assessments to help guide your decisions

Course	Percentage score in test	Area to Develop	Rank	Learning Indicator
English	61	Punctuation issues - Seneca English: KS3 Spelling, Punctuation and Grammar - Punctuation	31	Excellent
Maths	27	Sparx U993 Finding the area rectangle using algebra Sparx M150/U772 Advanced indices Sparx M865 Volume problem solving	72	Good
Science	32	Sparx Code: F686 Balancing chemical equations, F942 Moments	65	Good
Geography	56	Focus on rural to urban migration on Seneca- 14.1.5 Rural-urban pull factors and 14.1.6 Rural-urban push factors	31	Good
History	28	16.1 Causes of WW1	67	Good
MFL	82	In language nut to revise vocab at your own pace select the section high/middle school. This gives you 2 interesting sections: KS3 sentence chunks or full sentences and chose the topics we have done so far in year 7 / 8 and 9 =basic info, family, hobbies , daily routine, illnesses, town, classroom, holidays. or go to vocab trainer/ my content / Dynamo 3 vert/ Rouge and use module 1 with its subtopics You can challenge yourself and learn more new topics if you feel able .	17	Excellent

Course	Percentage score in test	Area to Develop	Rank	Learning Indicator
RE	63	SENECA RS: Y9: 3.1.13 Moral questions about Euthanasia SENECA RS: Y9: 3.1.2 Natural Moral Law	56	Excellent
Food/DT	60	Refine your outcomes so that they are produced in more detail.		Good
Art	60	Practice blending paints to develop your tonal work.		Good
Drama	81	Further refine your ability to show		Excellent
Music	85	Revise the different characteristics of 'What Makes a Good Song'. This can be found on the United Learning Curriculum page for KS3 Music. Listen to some of your favourite music and see if you can describe how it sounds by incorporating some of the elements of music e.g use of tempo, dynamics, texture etc. This is something that we do in GCSE Music, and I feel you would do well with this.		Excellent
PE	Exceeding Target	Know and can explain how to use different methods of training to improve their health and well-being.	8	Excellent

Please be aware that there are some limitations

- Group sizes – too big or too small
- Timetable

Make sure the **2 reserve choices** are ones that you would like to study. Students **MUST** select 2 reserves.

There is also an independent careers advisor available in the sports hall this evening if you have any questions about Post-16 options.

Common Questions:

"Can my child take both History and Geography?"

"Is Triple Science an option?"

"Do we need to choose if we do Higher or Foundation Maths/Science/MFL?"

"What if not enough students choose a subject?"

"What if too many students choose a subject?"

"How do I submit my options?"

<https://www.wyeschool.org.uk/secondary-school/gcse-options>

The screenshot shows a web browser displaying the Wye School website. The browser's address bar shows the URL <https://www.wyeschool.org.uk/secondary-school/gcse-options>. The website header features the Wye School logo with the tagline "The best in everyone™" and a navigation menu including Home, About Us, Admissions, Secondary School, Sixth Form, Parents, Personal Development, News, and Contact Us. A secondary navigation bar contains links for Crown 5443, Kempe 5739, Olantigh 5012, and Stour 5728, along with an Arbor logo and social media icons.

The main content area is titled "GCSE Options" and "Key Dates for Year 9 students 2025-2026". It lists several key dates and events:

- Wednesday 11th March 2026** – Year 9 initial options assembly for students
- Wednesday 25th March 2026** – Year 9 Options evening – 17:00-18:30 pm
- Wednesday 25th March 2026** – 2025-2026 Options booklet uploaded to the school website and GCSE options open. You will receive the form to complete on this day.
- Wednesday 22nd April 2026** - Year 9 options assembly led by an external careers advisor (CXK)
- Wednesday 13th May 2026** – Year 9 Parents Evening (Virtual) to speak about your child's current progress and next steps with individual teachers. Booking information will follow before the Easter holiday.
- Thursday 14th May 2026 - 8:00 am** Final date for submission of GCSE options form

Below the dates, there is a note: "Form to complete by 14th May (please only complete this once) [Year 9 GCSE Options Subjects 2026 – Fill out form](#)". Three blue buttons are provided for downloading resources: "Year 9 Parent Letter", "GCSE Options Booklet", and "Parent Presentation".

On the right side of the page, a sidebar titled "Secondary School" contains a list of links: "Welcome to Secondary School", "Assessment and Reporting", "Curriculum Overview", "Exams", "GCSE Specifications", "GCSE Options", "Literacy", "Schedule for Reporting 2025/26", and "Summer Work".

The footer of the website features the Wye School logo and the Arbor logo with social media icons. The Windows taskbar at the bottom shows the system tray with the date 25/03/2026 and time 14:14.
